

HELKA GLOBAL LOGISTICS PROJECT CARGO PORTFOLIO

Think Forward Move Forward

Providing for YOUR PROJECTS around the globe

Being able to trust your logistics provider is vital in meeting the demands of your supply chain, not only for the on time delivery of goods, but also in terms of safety, price, and overall quality of service. This reliability is the product of expertise, knowledge, and contacts collected through years of experience. Therefore, with more than 35 years of providing logistic services across the world, commitment to quality is a natural part of [HELKA GLOBAL LOGISTICS](#).
